

## Q-Switch (NQ-9770-EU)

### Technical Specifications

Operating voltage	230V/50Hz
Maximum load	11A
Range	30 meters – line of sight
Operating temperature	0°C – 40°C
Frequency range	868.40MHz; 869.85MHz(EU)

### Features

Metering capabilities	Yes
OTA firmware update	Yes
Auto inclusion	Yes
Manual control	Yes
